Registrations Description

We at GEX, pride ourselves in being a world class logistics services provider. With extensive international and local experience, we are confident of providing efficient and cost-effective solutions to any challenge you may face with your supply chain.

In order to serve our clients globally, we have established strategic partnerships with internationally recognized companies and set up our own offices in East Africa(Kenya, Rwanda, Uganda, Tanzania, Zambia), United Arab Emirates, Bangladesh, India & Maldives. Together we will ensure that you get the best possible levels of service when you entrust your cargo to GEX. We are highly focused on customer satisfaction and understand that the requirements of the clients differ from business to business. Therefore, we design logistics solutions, to suit your business needs, which in turn will ensure that your customers are seamlessly supplied with your products. Our team of industry professionals, who have many years of experience will be happy to talk to you and discuss your requirements with a view to finding the right logistics solutions for your business. We, therefore, invite you to be a part of our success story and benefit from our experience.
